

The Shetland Sheepdog Club of Georgia's October meeting will be in conjunction with Sheltie Rescue's 23<sup>rd</sup> Reunion. Bring a covered dish and/or dessert to share. Well mannered dogs are welcome, but please bring a crate for them and a chair for you.

To quote our President, Clara Seals, "...I can't think of a better way to show our support for this group than to join them and include them in our meeting."

Bad Ferret Lure **Chasing** (<https://www.facebook.com/BadFerretLure/>) will be letting dogs chase the 'bunny' in the back yard. Our Board has made some changes to the By-Laws and those present will vote on them – be sure to read your email for the proposed changes.
